OVERVIEW

Overview

Built in 2008 and fresh from an expensive 2022 refit, IDyllic is a beautifully maintained Benetti-built motor yacht and is presented to market at a competitive price.

IDyllic is an exciting opportunity for an owner looking for a private or a proven charter yacht in a coveted size bracket.

Boasting smart home technology and large exterior decks, IDyllic is a yacht built for entertainment. On the market for sale following a nine-month multi-million refit in May 2022, the yacht enjoys multiple reconfigured areas. These include the sun deck, where the dining table was changed to a cinema and lounge area with new awnings, and the Jacuzzi's sofas replaced by new cushions and sun pads. There is also a well-equipped gym for daily workouts and a sauna for post-fitness detox.

The yacht's original interior was given a complete rebrand with new furniture, carpets, upholsteries and ceiling. IDyllic accommodates 14 guests in six cabins, including a split-level master suite on the main deck with a private office and panoramic view. There is also a luxurious VIP cabin on the upper deck with private seating area, dressing room and king-sized bed.

The main deck salon, which prior her refit included a dining table, has now been semi-separated into two areas – salon and dining – as well as new furniture throughout. A contemporary beach club is paired with a variety of toys for on the water fun. Also, the sky lounge has been completely redesigned.

With an elevator that gifts access to all decks including the sun deck, a fully operational sauna, beach house and new gym equipment, IDyllic is well-placed to provide a respectful and idyllic cruise for both family and friends. No less than 15 professional crew are accommodated for exemplary customer service.

On the technical side, the main engines which have only 5,500hrs, generators and AV systems have all been updated and a New Z15 4-axis VSAT Antenna installed. She is equipped with zero speed stabilizers and reaches a top speed of 17 knots. IDyllic also comes with an extensive list of spare parts.

ACCOMODATION

Master Stateroom/Suite

- Located forward on the main deck, the cabin is full beam with a centreline super king-size bed. There are drawers for storage to port and starboard and his and her bathrooms forward; hers with a Jacuzzi and his with a Turkish steam room. A large dressing room with ample wardrobe space is included in this luxurious suite. The split level cabin has an adjoining study set up as a fully functioning office and offers an all-round panoramic view through the numerous windows.

VIP Cabin

- Located on the upper deck this cabin has fantastic views from the large panoramic windows. The suite comprises a separate seating area, walk in dressing room, en suite bathroom and a king-size bed.

Guest Staterooms

- There are four double guest cabins on the lower deck; the two after cabins with Jacuzzi bathtubs/showers and the two forward ones with large mosaic showers. The two forward cabins both have pull down Pullman bunks which neatly stow unnoticed into the bulkheads.

Sky Lounge

- The Sky Lounge, which has been completely redesigned, is located on the upper deck and the vast space includes a bar area and large screen television.

Main Salon / Dining room

- This large area has been divided in two with the after part serving as a luxurious seating area whilst the forward part includes a large ornate dining table with adjacent pantry; the perfect solution for fine dining.
