K O G O

K O G O

Only 2 owners from new and always cherished. The original go anywhere Explorer Superyacht that looks like a Superyacht. Private use only. KOGO is available for sale and ready to go for the season ahead.

THE ICONIC GO-ANYWHERE SUPERYACHT

Commissioned by experienced yacht owner and serial entrepreneur Mansour Ojjeh, KOGO was delivered in 2006 by Alstom. With the brief to be equal to the big brands of Northern Europe, technologically advanced and with worldwide cruising capabilities, KOGO achieved multiple awards and accolades.

Pedigree isn't always just a brand, it can also simply be the yacht itself; KOGO achieved that. The expertise of the Owner, Captain, Tim Heywood, Terence Disdale et al created what many follow or copy today; 7 Owner and Guest Suites, Crew and Staff Suites, Beach Club, Spa, and much more.

 INTERIOR	Terence Disdale	 EXTERIOR	Tim Heywood

IN A NUTSHELL

Boasting a Dive Centre, Helideck, super-silent / low vibration diesel electric, approximate 6100 Nm range, Ice Class, Stone deck, big pool, 4 x tenders and all in a 71.7m LOA, KOGO is held in very high regard: a testament to her two owners shared experiences in superyachting. KOGO has a steel hull with an aluminium superstructure, a huge and very stable beam of 14.1m and a draft of 3.8m.

STABILIZERS

This fully custom-built displacement yacht is equipped with an ultramodern stabilization system which reduces roll motion effect and Azipods / diesel electric power plant, resulting in a smoother, quieter and totally optimized running scenarios to suit the World of cruising.

C A P A B I L I T E S

Ice Class 1 B is another of her unique features, allowing you to cruise with less planning requirements and less concerns about inclement weather during the winter months.

ACCOMMODATION

KOGO offers accommodation for up to 14 guests in 7 SUITES comprising 1 owner SUITE, 4 double SUITES, 1 twin SUITE. She is also capable of carrying up to 21 crew onboard to ensure a relaxed luxury yacht experience.

PERFORMANCE

KOGO has a cruising speed of 15 knots, and a range of 6100 nm (approx).
