DESIGN

SEA PEARL was built to the "Best of the Best" standards for none less than the Owner of the OceAnco shipyard for the Athens Olympic Games of 2004.

She has had several extensive multi-million euro refits over the past few years, with capital expenditure under the current ownership well in excess of \$20m.

Her exterior and interior design is exquisitely executed by the world-famous design house, Winch Design.

SEA PEARL

INTERIOR

Space, comfort, formal, informal, SEA PEARL delivers on all occasions. With her perfect 60m six cabin layout, she can accommodate up to 12 guests, including an exceptional Master Suite with a forward Observation Lounge, a salon and a dining area on the main deck, a full Beam VIP cabin, and four spacious guest cabins on the lower deck. In addition, the upper deck features stunning indoor/outdoor dining and a fully equipped gym on the sun deck with tinted sliding doors.
